the concept of

The parties hereto select ~~Alternative A~~ as the most desirable alternative set forth in said "Supplemental Project Report - Phase I".

V

It is the desire of the parties to enter into an agreement pursuant to Chapter 5 of Division 7 of Title 1 of the Government Code authorizing a joint exercise of powers by the parties to secure a step one grant and a concept approval from the State/Federal Grants Team, under the Clean Water Grants Program, for the Mid-Coastside Sub-Regional Wastewater Quality Control Program to benefit the parties to this agreement;

NOW, THEREFORE, IT IS AGREED by and between the parties hereto as follows:

- I. PURPOSE. The purpose of this joint powers agreement is to:
 - (a) Prepare and process an application for a step one grant.
 - (b) Prepare an Environmental Impact Statement and Environmental Impact Report for a Wastewater Treatment and Disposal System for the San Mateo Mid-Coastside Sub-Region pursuant to a proposal embodied in a letter dated September 20, 1974, from Thomas S. Reid, Principal in the firm of Thomas Reid Associates of Palo Alto. A copy of said letter labeled Exhibit A, is attached hereto, and is incorporated herein by reference.
 - (c) Conduct sufficient oceanographic studies to conclude the Environmental Impact Report.
 - (d) Complete a Final Project Report for a Wastewater Treatment and Disposal System for the San Mateo Mid-Coastside Sub-Region pursuant to a proposal submitted by Trotter-Yoder & Associates/Barrett and Associates, and Resources Engineering & Management.A copy of said proposal entitled "Mid-Coastside Supplemental Project Report Engineering Proposal for Completion of Phase I Report" is attached hereto and is labeled Exhibit B. The parties to this agreement shall have the right to submit, through their engineers, input to said Final Project Report.
